

Student Skill Portfolio Website

Project Development Report

Name: Lokesh Bhandari

Roll No: MCA2504151

Role: Homepage Developer

Team Roles

Member	Role	Branch	Responsibilities
Lokesh	Homepage Developer	home-page	Homepage, navigation, introduction
Ambar	Profile Section Developer	profile-section	Profile cards, skills, GitHub links
Pratiksha	Projects Section Developer	projects-section	Projects section and project cards
Manas	GitHub Manager & Contact Section Developer	contact-section	Repository, collaborators, branches, PR review, merges, deployment, contact form

Project Objectives

The main objectives of this project were:

- Develop a responsive student portfolio website.
- Learn collaborative software development.
- Gain practical experience with Git and GitHub.
- Implement feature branching and version control.
- Practice Pull Requests and code reviews.
- Improve teamwork and communication.
- Deploy the final project using GitHub Pages.

Project Overview

The website consists of four major sections:

- Homepage
- Student Profiles
- Projects
- Contact

Each section was developed independently by a team member using a separate Git branch. After development, the GitHub Manager reviewed and merged all contributions into the main branch.

Technologies Used

Frontend

- HTML5
- CSS3
- JavaScript

Version Control

- Git
- GitHub

Deployment

- GitHub Pages

Git & GitHub Workflow

The project followed an industry-standard Git workflow.

Step 1

Create Repository

Step 2

Clone Repository

```
git clone https://github.com/Manas-Deshpande/4BytesProj.git
```

Step 3

Create Feature Branch

Example

```
git checkout -b home-page
```

```
git checkout -b profile-section
```

```
git checkout -b projects-section
```

```
git checkout -b contact-section
```

Step 4

Develop Feature

Each student completed their assigned module independently.

Step 5

Commit Changes

```
git add .
```

```
git commit -m "Completed Homepage"
```

Step 6

Push Branch

```
git push origin home-page
```

Step 7

Create Pull Request

Each member created a Pull Request on GitHub.

Step 8

Review Pull Request

The GitHub Manager reviewed all submitted Pull Requests.

Step 9

Merge Pull Request

Approved Pull Requests were merged into the **main** branch.

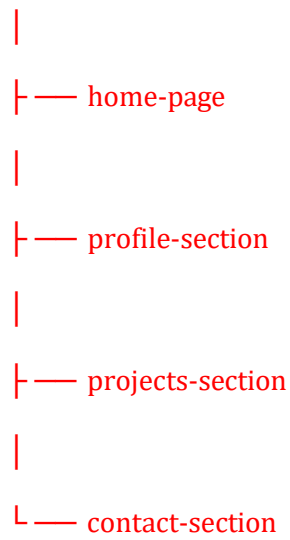

Step 10

Deploy

The final website was deployed using GitHub Pages.

Branching Strategy

main

Team Roles and Responsibilities

Student 1 – Lokesh (Homepage Developer)

Branch: `home-page`

Responsibilities:

- Designed the homepage.
 - Created the navigation bar.
 - Added website title.
 - Added introduction section.
 - Submitted Pull Request.
-

Student 2 – Ambar (Profile Section Developer)

Branch: `profile-section`

Responsibilities:

- Created profile cards.
 - Added student names.
 - Added skills.
 - Added GitHub profile links.
 - Submitted Pull Request.
-

Student 3 – Pratiksha (Projects Section Developer)

Branch: `projects-section`

Responsibilities:

- Developed Projects section.
 - Added three project cards.
 - Added project descriptions.
 - Mentioned technologies used.
 - Submitted Pull Request.
-

Student 4 – Manas (GitHub Manager & Contact Section Developer)

Branch: `contact-section`

Responsibilities:

GitHub Management

- Created GitHub repository.
- Added collaborators.
- Managed branches.
- Reviewed Pull Requests.
- Merged all approved Pull Requests.
- Maintained repository.

Website Development

- Built Contact section.
- Added Email field.
- Added Message field.
- Added Submit button.

Deployment

- Published website using GitHub Pages.
- Verified live deployment.

Conclusion

The Student Skill Portfolio Website project successfully demonstrated collaborative software development using Git and GitHub. By dividing the project into separate modules and following a structured branching strategy, the team was able to work efficiently and integrate all features through Pull Requests. The project strengthened our understanding of version control, collaborative development, responsive web design, and deployment using GitHub Pages. Overall, it provided valuable practical experience that reflects real-world software development practices.

Screenshots

Homepage:

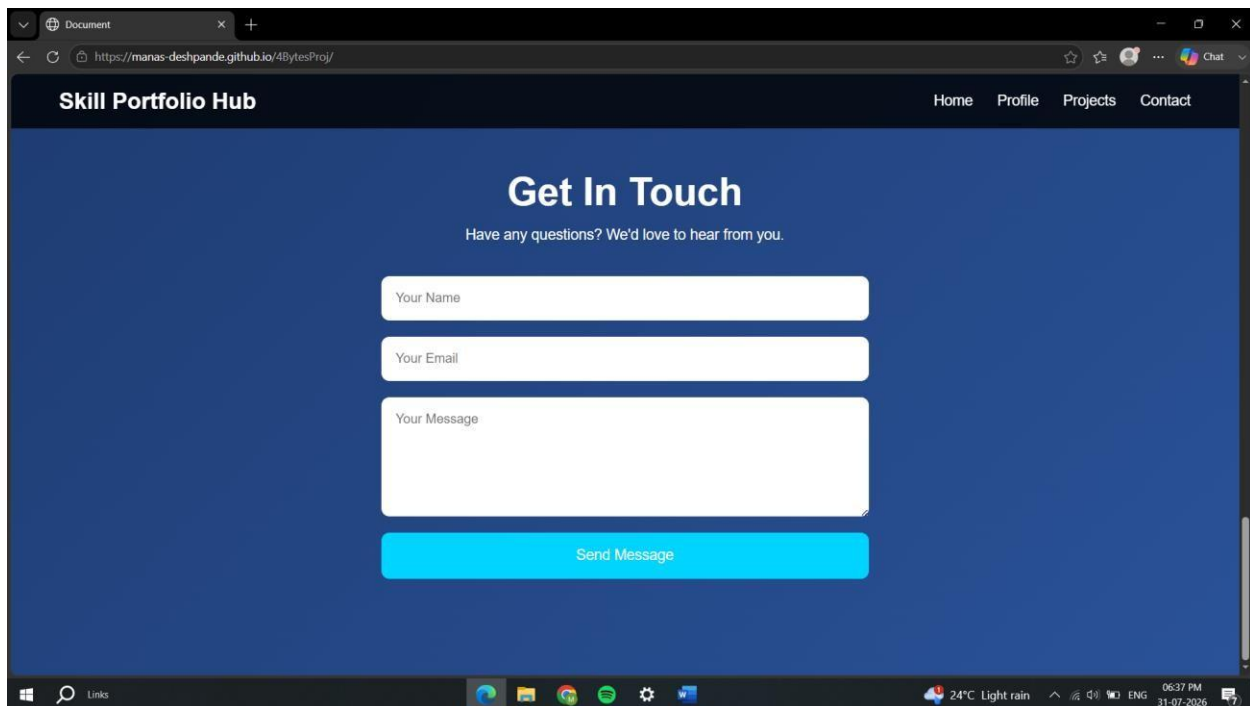

Projects Section:

Contact Section:

The screenshot shows a web browser window with the address bar displaying `https://manas-deshpande.github.io/4BytesProj/`. The page has a dark blue header with the title "Skill Portfolio Hub" and navigation links: Home, Profile, Projects, and Contact. The main content area is a dark blue gradient with the heading "Get In Touch" and the subtext "Have any questions? We'd love to hear from you." Below this is a contact form with three input fields: "Your Name", "Your Email", and "Your Message". A bright blue "Send Message" button is at the bottom of the form. The browser's taskbar at the bottom shows various icons and the system clock indicating 06:37 PM on 31-07-2026.

GitHub Repository:

The screenshot shows a GitHub repository page for "4BytesProj" by user "Manas-Deshpande". The repository is public and has 5 branches and 0 tags. The commit history shows a recent commit by "Pratikshakadam2004" titled "Move contact section to bottom and fix CSS" with 14 commits. The file list includes README.md, index.html, script.js, and style.css. The README section is visible, showing the repository name "4BytesProj". The right sidebar contains sections for "About", "Releases", "Deployments", and "Packages". The browser's taskbar at the bottom shows various icons and the system clock indicating 06:39 PM on 31-07-2026.

Branches:

The screenshot shows the GitHub interface for the repository 'Manas-Deshpande/4BytesProj'. The 'Branches' tab is selected, displaying a list of branches. The 'main' branch is the default. Other branches include 'contact-section', 'projects-section', 'profile-section', and 'home-page'. Each branch entry shows its last update time, check status, and a pull request link.

Branch	Updated	Check status	Behind	Ahead	Pull request
main	3 weeks ago	✓ 3 / 3			Default
contact-section	3 weeks ago		2	0	#1
projects-section	3 weeks ago		5	0	#5
profile-section	last month		7	0	#4
home-page	last month		11	0	#2

Commit History:

The screenshot shows the 'Commits' tab for the repository 'Manas-Deshpande/4BytesProj'. The 'main' branch is selected. The commit history is filtered by 'All users' and 'All time'. The list of commits is sorted by date, showing commits from July 8, 2026, and July 6, 2026. Each commit entry includes the commit message, the author, the commit hash, and a link to the commit details.

Commit Message	Author	Commit Hash
Move contact section to bottom and fix CSS	Pratikshakadam2004 committed 3 weeks ago	92892ad
Merge pull request #1 from Manas-Deshpande/contact-section	Manas-Deshpande authored 3 weeks ago	caa22d7
Merge branch 'main' into contact-section	lokesh-bhandari12 authored 3 weeks ago	3d1cc7d
Merge pull request #5 from Manas-Deshpande/projects-section	Manas-Deshpande authored 3 weeks ago	680f50b
feat: added projects section	Pratikshakadam2004 committed 3 weeks ago	08ad75d
Merge pull request #4 from Manas-Deshpande/profile-section	Manas-Deshpande authored last month	29f2860

GitHub Pages Deployment:

The screenshot shows the GitHub web interface for the repository `Manas-Deshpande/4BytesProj`. The left sidebar contains the 'Deployments' section with a sub-menu 'Environments' where 'github-pages' is selected. The main content area is titled 'github-pages deployments' and shows 'Latest deployments' with a single entry: 'github-pages' (last deployed 3 weeks ago) with the URL `https://manas-deshpande.github.io/4BytesProj/`. Below this, a 'Filter' section shows '1 deployments' with a deployment titled 'Move contact section to bottom and fix CSS' (Active) deployed to 'github-pages' by 'Manas-Deshpande' via 'pages-build-deployment #1' on the 'main' branch 3 weeks ago. The bottom of the image shows a Windows taskbar with various application icons and a system tray indicating a rain warning and the date/time (06:46 PM, 31-07-2026).
